

Future Planning Legal Clinic

Thursday, October 25, 2018

8:00 AM- 1:00 PM

ACHIEVA's South Side Office

711 Bingham St. Pittsburgh, PA 15203

Local attorneys who are experienced in special needs planning for families of individuals with disabilities will be available for 30-minute appointments during which they can help attendees develop a preliminary future planning strategy. Topics of discussion can include, among other things: Wills, Guardianship, Powers of Attorney, Representative Payee, Special Needs Trusts, and ABLE Accounts. The purpose of the clinic is to provide individuals with disabilities and their families a no-cost initial consultation after which they are free to schedule a follow up appointment with the attorney in order to have the appropriate documents drafted.

Please contact Amy Chill at 412-995-5000 ext. 414 or achill@achieva.info in order to schedule an appointment. Walk-ins cannot be accommodated. Please consider taking advantage of this excellent opportunity to plan for you and your family's future. ACHIEVA has free off street parking at our South Side offices.
